Foreword

On behalf of the annual staff, we, the editors, hope the '65 THUNDERBOLT has met the qualifications needed for a successful yearbook and will be enjoyed by each and every member of Haysi High School now and for years to come.

As, we, the seniors, depart from Haysi High School into the higher realms of life may this yearbook continually remind us of our good "ole" school days.

We wish to extend our deepest appreciation to our sponsor, Mr. R. C. Hay, who has contributed endless time and patience to the success of this yearbook.

Superintendent's Message

I offer you my most sincere congratulations on your graduation from high school. This is an honor well earned. It is my hope and wish that you will continue your education and thus be even better equipped to lend your services to your fellow men.

May you so lead your life that Haysi High School will be proud of you as one of its graduates.

A Salute to . . .

Clyde E. Reedy has worked in the Dickenson County school system since 1926 as teacher, high school principal, and director of instruction.

Mr. Reedy was born in Dickenson County July 28, 1908, the son of Rev. and Mrs. E. A. Reedy. He attended Bise Elementary School through the sixth grade. From there he went to Fremont Junior High School for his seventh, eighth, and ninth grade work. The remainder of his high school work was done at Clintwood High School, completing in the spring of 1924. He entered Hiwassee Junior College, Madisonville, Tennessee, in 1924, finishing in the spring of 1926.

At the age of 18, he started teaching high school classes at Kenady Junior High School in August of 1926. For the following three sessions he worked as principal of Fremont Junior High School.

He was assigned as teacher and coach at Haysi High School for the session 1931-32. Under his direction, Haysi High boys won their first county basketball championship in the spring of 1932. In the fall of 1932, Mr. Reedy was assigned as principal of Clinchco High School where he worked until 1943. From there he was moved to Ervinton High as principal, remaining there until 1953. He was appointed as the first director of instruction for Dickenson County schools in 1953 and has remained in that position to the present.

He was married to Miss Flora Deel, a Dickenson teacher, in 1927. They had five children, four girls and one son. Three of the daughters attended Berea College; the son attended Hiwassee and East Tennessee State, and the other daughter attended business school.

Mr. Reedy has worked wholeheartedly with all school officials, teachers, patrons, and pupils to see the county school system grow and expand. Particularly, he has always been ready to share his best efforts to help solve the problems of teachers and pupils with whom he worked.

In addition to his school work, Mr. Reedy has been active in community and church work. He has served as a Freewill Baptist minister since 1941, pastoring three and four rural churches most of the time. Thus, he has shown a profound interest in the spiritual, educational, and cultural development of our county people.

CLYDE E. REEDY
attended Hiwassee,
Emory and Henry where
he received his B.S.
degree, and Peabody
College where he re-
ceived his M.A. degree.

Principal's Message

Dear Seniors,

I have enjoyed working with you the past five years. I sincerely hope that your association with the many facets of school life will add materially to future success.

Graduation ceremonies mark the successful completion of five years' study but need not be considered an end to your association with the school. The faculty and I welcome the opportunity to assist, in every possible way, your quest for additional training or employment.

Future success will depend on desire and preparation. Please take advantage of every available opportunity for self-improvement. Wisdom comes to no one by chance.

May your cornucopia always be full and overflowing, your setbacks few, and your successes many. Goodbye, good luck, and God bless you.

Assistant Principal's Message

To you seniors of 1964-65, it certainly has been a wonderful experience working with you during your years at Haysi High School.

What will your diploma mean to you? To some, it will signify your continuing an education at a trade or technical school; to some, it will be the end of your formal education; to others, it means a passport to college.

It's with hope that you will permit the teachings here to be guidelines toward becoming a good citizen in any community in which you may live.

May each of you have a successful and happy future.

There are some we meet along the way
who can make life more worthwhile.
There are some who can brighten
the darkest day with a nod and a
cheery smile.

There are some who play the game of
life by observing the Golden Rule.
Who practice that tenet every day
at home, in sports, or school.

There are some we are proud to have
as a friend.
There are some it's a joy to know
who set an example in every way,
Everywhere that they go.
This is the way everyone knew Larry.

"Now the way my
mommy said to fix it
was . . ."

"My, my, that was
good."

"I'm twice as good
and thrice as pretty
and . . ."

"If it would only
snow tonight."

Let's have a show of
legs, boys.

"I feel a little light
headed."

"What do you mean
we're about to get a
run down feeling?"

"It's getting so we
don't have any more
privacy than a gold-
fish."

Miss Senior is on her
way up.

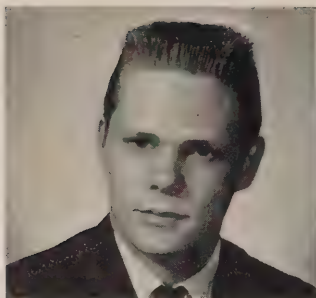

"Frances, I just
thought, isn't poll tax
illegal?"

"My Pa just called and
said the cows were out."

"I refuse to answer on
the grounds that. . ."

DAVE ALDERSON

"And if I'm elected, I'll . . ."

"If you only knew how long it takes to grow one of these."

"You really know how to hurt a fellow, don't you?"

"Here, use my pencil to pick your teeth."

"What do you mean, I owe you some typing paper?"

Homecoming Game

Crowning of homecoming queen.

"It's nice to be back."

"Don't look at me like that, you couldn't do any better."

"Well, I thought it was funny, didn't you?"

"Is he looking?"

"Wow!!"

Are these seniors or professors at Haysi?

"What a revolting development this is."

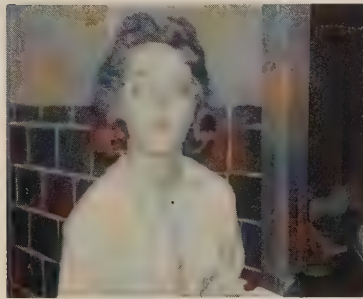

"A new student, and it's a boy."

School was never this interesting.

Key Club hard at work, as usual.

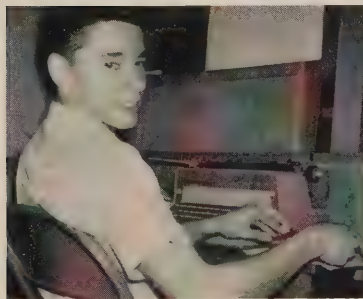

"Wait, let me comb my hair."

"Well, would you believe this?"

Rich, that might cause indigestion.

Some people may think he's working but . . .

What a messy housekeeper.

"Well, I have seen more interesting figures."

Farewell . . .

As our high school years draw to a close, we look back with fond memories upon these wonderful moments as students of Haysi High School.

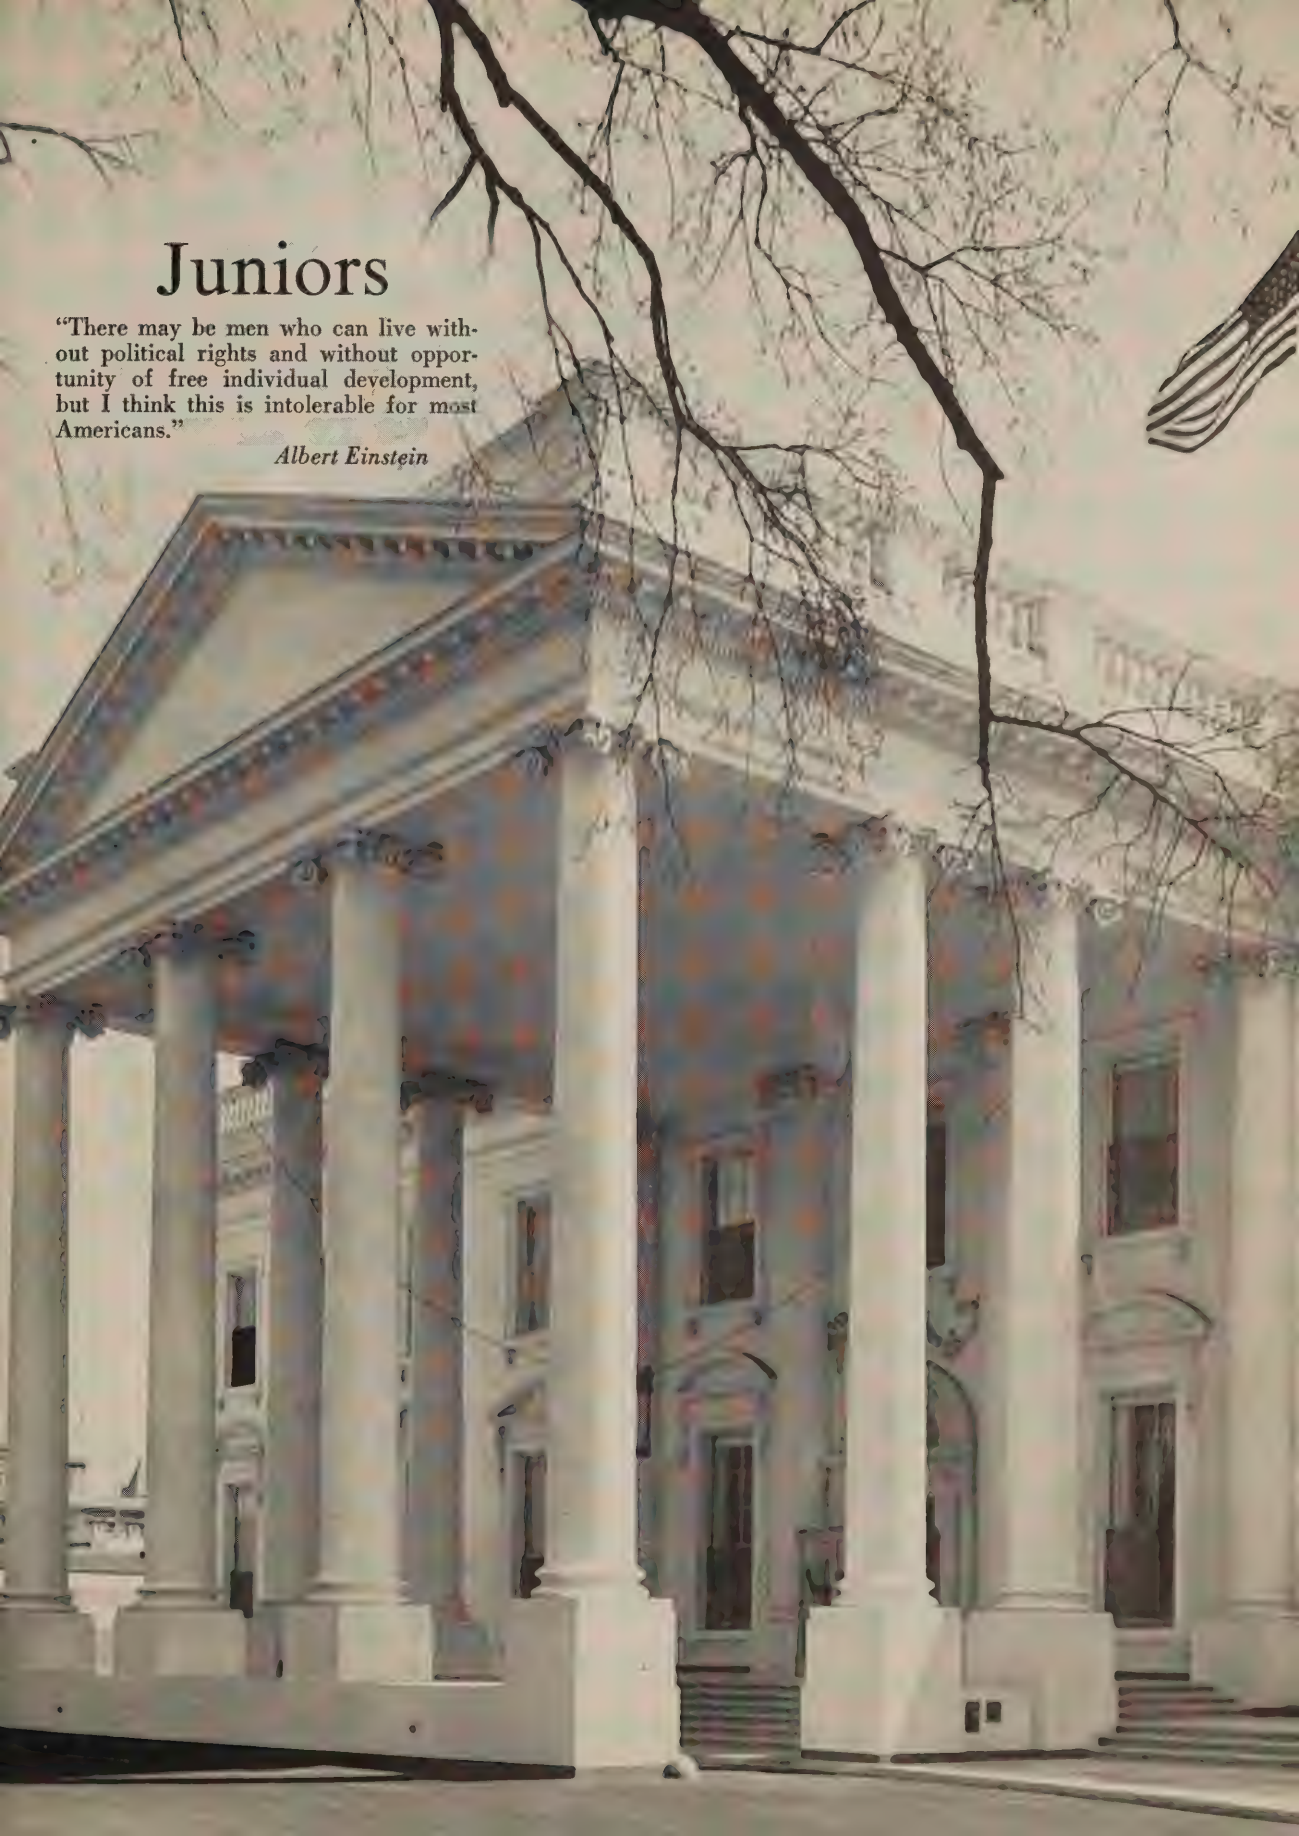

We graduates will remember our school as a dominant factor and influence in our lives . . . as a stepping-stone to a maturity of self-discipline which will enable us to accept responsibility. Here we have learned to pride ourselves in excelling. We have grown up with our school; this graduation marks a major milestone in the growth of our future.

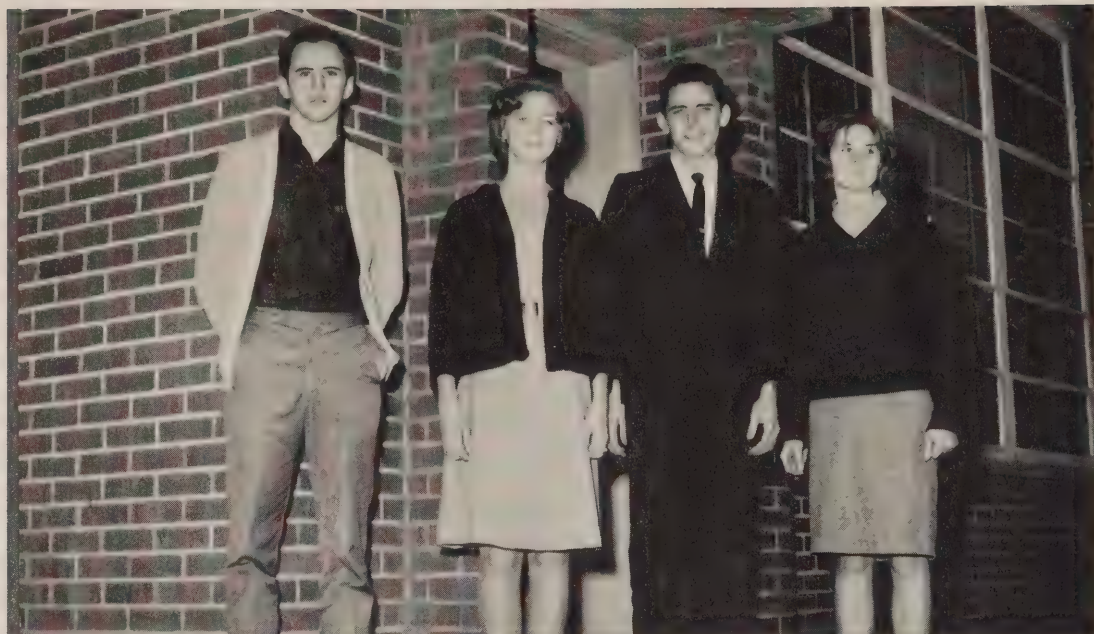

YESTERDAY IS BUT TODAY'S MEMORY . . . TOMORROW IS TODAY'S DREAM

Future Leaders

These eighth grade students in Track I are
 proud and confident who are making the most of their
 high school education. Their attitude toward learning and
 their high level of achievement could well be
 emulated by all high school students.

Elementary

"The winning of freedom is not to be compared to the winning of a game — with the victory recorded forever in history. Freedom has its life in the hearts, the actions, the spirit of men and so it must be daily earned and refreshed . . ."

A large American flag is shown waving on a tall, silver flagpole. The flag is positioned in the upper half of the frame, with its stars and stripes clearly visible. The flagpole extends vertically from the bottom left corner. The background is a bright blue sky with scattered white clouds. The overall image has a slightly grainy, vintage quality.
